

FREN 0500 SD: LAB ORAL INTERVIEW EVALUATION 2023

Description:

- For the lab oral evaluation, the instructor will meet each student individually to assess her/his oral production skills during a Zoom meeting (link on D2L calendar)
- Your camera has to be switch on as the instructor will assess your oral skills.
- The evaluation will last maximum 3-5 minutes and will be recorded.
- The instructor will ask **randomly** 1 question from the list of questions p.3 (down below).
- Students can review, prepare and practice the questions (found below p.3) in advance but are not allowed to choose. The instructor will choose it randomly during the lab evaluation.
- You can use notes but cannot read all along as the evaluation is to assess your oral production skills.

Instruction:

- Please, join the zoom meeting link on your D2L welcome/first page (under: the calendar up coming events)

Join URL: <https://lakeheadu.zoom.us/j/98615965438>

- Please, enter the waiting room of the zoom conference 5 minutes prior your time slot. The instructor will let you in as soon as she has finished with the previous student:
- **If you cannot attend your time slot for a valid reason (work, doctor's appointment, other exams, etc...) please contact your instructor by email before your evaluation**
